

Program Coordinator

We have an opening for a new full time position to work in our programming department. Program Coordinators facilitate program planning for persons with mental health and/or intellectual disabilities.

Duties will include program development working with the team, chairing meetings, working with families and collaborating agencies, data collection, writing reports, working with the outcomes system. Good communication skills, both verbal and written, along with effective computer skills, are a must. Genesis Development offers a competitive benefits package.

Please check our website at www.genesisdevelopment.com for more information and to download an application, and/or check our Facebook page. For more information, please contact Sandy Pingel in our Storm Lake office.

You can email your application to stormlakejobs@gendeviowa.com

Genesis Development is a federal contractor and an EEO/AAP Employer. Women, minorities, veterans and individuals with disabilities are encouraged to apply.
