

## Community Support Specialist

Genesis Development in Indianola, the premier provider of services for individuals with mental health disabilities, is accepting applications for part-time and full-time Community Support Specialists to work evening and overnight shifts.

The position is available to assist people with disabilities. The right applicant must be self-motivated. The Community Support Specialist will work directly with people with mental and intellectual disabilities in their own homes, teaching daily living skills, money management skills, providing transportation to medical appointments, providing medication management (we will train) and documenting actions appropriately. Job duties also include assisting with social interactions and accessing community resources.

The ideal candidate would have an outgoing personality, a high school diploma or equivalent and a valid driver's license.

Downloadable application available at [www.genesisdevelopment.com](http://www.genesisdevelopment.com). Please email completed application to [indianolajobs@gendeiowa.com](mailto:indianolajobs@gendeiowa.com) or mail to Genesis Development, 1809 W 2nd Ave, Indianola, IA 50125.

Genesis Development is a Federal Contractor and an EEO/AAP employer. Women, minorities, veterans and individuals with disabilities are encouraged to apply.
