

Community Support Specialist

Genesis Development in Winterset, IA, is currently taking applications for part-time to full-time Community Support Specialist. This position is responsible for providing assistance to individuals served in meeting all aspects of daily living in a residential setting, allowing individuals to reach their fullest potential and lead fulfilled lives.

We support individuals with mental and physical disabilities in their home, work and community environments. We are looking for people who have a passion for helping others to become part of our direct care staff in our group homes.

Job Qualifications include a high school diploma or equivalent, a valid driver's license, basic computer skills, experience working with people with disabilities preferred but will train, dependable transportation preferred.

For additional information, contact Carolyn at (515) 462-9083. E-mail completed applications to wintersetjobs@gendeviowa.com or mail to/drop off at our Winterset office at 115 E Washington, Winterset, IA 50273.

Genesis Development is a Federal Contractor and an EEO/AAP Employer. Women, minorities, veterans and individuals with disabilities are encouraged to apply.
