

Community Support Staff

Want to make a difference? Genesis Development in Grinnell is looking for caring, responsible people to fill full-time and part-time positions in our Supported Community Living and 24-hour Residential programs. Responsibilities include providing supervision and training opportunities in the home and community for people with disabilities.

The position is available to assist people with disabilities. The right applicant must be self-motivated. The Community Support Staff will work directly with people with mental and intellectual disabilities in their own homes, teaching daily living skills, money management skills, providing transportation to medical appointments, providing medication management (we will train) and documenting actions appropriately. Job duties also include assisting with social interactions and accessing community resources.

The ideal candidate would have an outgoing personality, a high school diploma or equivalent and a valid driver's license.
